Choir Heimatecho report

Dear Friends and Members

A Happy New Year 2019 to all of you from our choir Heimatecho/Members. The last year 2018 has been an eventful year, we had 13 performances. To just name a few on the 6th of December 2018 the choir had the special request from Maria Steinborn to sing at the Dulciana Hospice in Calgary. Sunday December 9th we performed at the Wirth Institute in Edmonton at the University of Alberta at the beautiful Arts & Convocational Hall this is a great and enjoyable Christmas concert with singers and musicians from all different countries.

December 13th we had our annual Christmas Dinner with delicious food, music and happy socializing. We sang together traditional Austrian Christmas songs which did put us all into the spirit of the season.

In December until part of January our choir director was on vacation in Korea. On the 17th of January our choir will start practice again and learn new songs and prepare for the performance at the Arbor Lake Senior Centre which will be determined yet.

Than at the end of April, on the 27th, I we have our "Heimatabend", it will be fun, and we will have the outstanding German male chorus to be our guest choir. This evening will be a musical treasure, held at the Austrian Canadian Club with delicious food and entertainment by "Jana & Danny. Please come and bring all your friends and family to this enjoyable evening. Music brings people together and I hope I see you all at the Austrian Club!

Sincerely,

Frida Foidl
